FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Pursuant to 18 U.S.C. § 3142(e), there is a rebuttable presumption that defendant is a flight risk and a danger to the community based on the nature of the pending charges. Application of the presumption is appropriate in this case.
2. An immigration detainer has been placed on defendant by the United States Immigration and Customs Enforcement.
3. Defendant has stipulated to detention, but reserves the right to contest his continued detention when he makes his initial appearance on this charge in the Central District of California.
4. There are no conditions or combination of conditions other than detention that will reasonably assure the appearance of defendant as required or ensure the safety of the community, pending his initial appearance in the Central District of California.

IT IS THEREFORE ORDERED:

- (1) Defendant shall be detained pending his initial appearance in the Central District of California and shall be committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and

- 1 (4) The Clerk shall direct copies of this Order to counsel for the United States, to  
2 counsel for the defendant, to the United States Marshal, and to the United States  
3 Pretrial Services Officer.
